Ken Peddersen, Vic, Eramosa Stud

I would like to thank the committee and members of Cavy West for the invitation to judge at the 2007 National Cavy Show, it was a great honour as always! I had a great weekend, and thoroughly enjoyed one of the most pleasant and friendliest of National Shows that I've had the pleasure of attending – and I've been to quite a few! I would like to thank all that took a turn at book stewarding for me throughout the day but in particular a big thanks to Carole Norton whom was my main steward and as usual did a most efficient job. A huge thank you to David Barnes and Dennis Howe for such a well show managed event – certainly makes a judges task all the easier when you have people like these two getting the exhibits to the table in a timely and efficient manner. To my co-judges in Sarina and Vern I thank you both for a day of most amicable judging, I think we set some sort of speed record for our BIS and RIS decisions but that just highlights how unanimous and obvious these results were to the three of us! Last, but certainly not least, a huge congratulations and special thanks to all of the organising committee for making the show such a smoothly run event – you should all be very pleased with your efforts and take great pleasure from the wonderful success of this show!

I had the pleasure of judging some lovely cavies with the winners clearly deserving their awards on the day, well done and congratulations to all on your successes. I must say that I was most impressed with the overall level of presentation and quality of the exhibits, although the numbers were on the smaller side this year I do believe most breeds were represented which was pleasing to see. Congratulations and thank you to all for presenting and exhibiting your cavies so nicely, it is such a pleasure to handle cavies when they have been presented so well! As I have always said, competition at this level is very tough and attention to presentation can be the difference between being placed or unplaced – thank you for listening!

Congratulations to Leonie Dickerson for a very deserving Best in Show with 'Haylee Keltic Warrior', a superb Texel with one of the best coats I've ever handled and presented oh so beautifully, he just stood out in the Best in Show Line-up! Well done Leonie! Congratulations also go to Betty Robertson and the lovely Cream Satin Sow 'Andrea Zilzie' on a wonder Reserve in Show – she just sparkled on the day and again was impossible to ignore in the Best in Show line-up.

The Intermediates came down to a battle in two, with the spunkily named Abyssinian 'Sheoak Marty McFly' taking Best Intermediate in Show for Bronwyn Kerkhoff – congratulations on a great effort Bronwyn. Reserve Intermediate in Show went to the lovely Texel 'Hedon Xenophoebe' – well done and congratulations Peter!

Thank you, once again, I thoroughly enjoyed my fifth National judging appointment and look forward to seeing you all sometime soon.

Yours in Cavies,
Ken Peddersen

SATIN

Satin Dalmatian

(57) – Nice example of breed. Lovely satinisation.

Satin Self AOC

(59, 60, 61, 62, 63, 64, 66, 67, 68) – Presentation an issue in some. Class winners deserved their placings on the day. Best of Breed a very nice example of the breed.

Satin Self PF White

(71, 72, 74, 75, 76) – Overall a very nice class, satinisation good all round. Best of Breed wins on maturity, Reserve of Breed shows potential.

Satin Self Cream

(78, 79, 80, 81, 82) – Best of Breed an outstanding cream satin in all aspects. Reserve of Breed a very promising youngster.

Satin Crested

(84, 85) – Best of Breed a nice example of its breed. Deserved winner on the day.

Satin Crested PF White

(86, 88) – Very even pair. Boar wins Best of Breed on crest.

Satin Ticked

(90, 91, 92, 93, 94, 95, 96, 97, 98) – Some good examples of satin ticked cavies. Best of Breed stood out from the rest. Reserve of Breed a lovely coloured chocolate agouti.

Satin Abyssinian

(100, 101) – Both nice examples of the breed. Best of Breed wins on strength of rosettes and ridges.

Satin Sheltie

(102) – Fair satinisation. Good density and texture, and nice even length of coat. Well presented.

TICKED

Golden Agouti

(264, 265, 267, 268, 269, 270) – Good class. Colour better than I have seen for a long time. Best of Breed wins on best under colour and belly. Reserve of Breed a nice sow, just lacking on under colour and a little flick on belly.

Silver Agouti

(273, 274, 275, 276, 278, 279) – A very nice class of silvers. Ticking overall was very good. Best of Breed an excellent example of the breed. Reserve of Breed just pipped out at the post.

Cinnamon Agouti

(281, 282, 283, 284) – A fair bit of work still needed. Eye circles, chest faults and long ticking quite frequent. Best of Breed wins on colour and ticking.

Chocolate Agouti

(286) – Nice example of the breed, the best I've seen in a while. Deserves its Best of Breed.

Cream Agouti

(287, 288) – Best of Breed wins on colour and ticking. Still some work to go with this breed. Keep up the good work.

Lemon Agouti

(289, 290, 291, 293) – Best of Breed has beautiful ticking and colour, lovely example of the breed. Reserve of Breed a little long in ticking. Others in class tended to be a little too buff in ticking colour.

Argente AQC

(294, 295, 296) – Best of Breed had lovely colour and good ticking. A nice example of the breed. Reserve of Breed again a nice example of the breed, just beaten on the day.

Gold/Lilac Argente

(297, 299, 300, 301) – Best of Breed won on overall colour and ticking. Reserve of Breed a promising intermediate. Overall a nice class of gold/lilac argentes.

White/Lilac Argente

(302, 304, 305, 306) – Best of Breed wins on colour marginally over Reserve of Breed. Breed has a lot of work to go but keep trying.

COARSE COAT

Abyssinian

(307, 308, 309, 312, 314, 315) – Nice class of Abyssinians. Best of Breed very even all round, with lovely rosette placement and good strength of ridges. Reserve of Breed a little twisted in ridges, otherwise very nice.

Rex

(316, 317, 318, 319, 320, 322, 323, 324, 325, 327, 328, 329, 330) – Beautiful presented class, a credit to all owners. Best of Breed had the best coat and great density but could have had better ears. Reserve of Breed was another nice example, just a little flat on shoulder. Awards well deserved.

LONGHAIR

Sheltie

(332, 333, 334) – Lovely class, all presented beautifully, a pleasure to judge. Best of Breed was a mature boar with excellent texture and density to match. Reserve of Breed was a sensational youngster that will take a lot of beating in the future.

Coronet

(335) – Lovely presented animal. Good texture and density, just a little weak in the sweep.

Alpaca

(336) – Nice youngster with plenty of potential density. Could be a little better but nice texture, well presented.

Texel

(337, 338, 339, 341, 342, 343) – Another excellent class of longhairs all presented beautifully, a pleasure to judge. Best of Breed an excellent example with beautiful texture and density, even all round length, a lovely cavy. Reserve of Breed a sensational youngster that will take a lot of beating in the future.
